

Basketball Coach

Are you an experienced coach, enthusiastic, engaging and fun?

We have an exciting opportunity to join the team as a basketball coach. You will be responsible for planning, delivering and evaluating sessions. This position has the potential for the right candidate to progress and manage a team of coaches contributing to the growth of the Starpic Lions basketball team. More information on the project can be located on our website:-

https://www.starpicproject.co.uk/starpic_lions/

About Starpic Project

The vision at STARPIC is to provide a safe space for all children and young people giving the opportunities to realise their potential, while building transferable skills for the future. We engage with the young people through various activities from arts and crafts, games, music, dance and having fun in a youth work environment making it fun, nurturing and increasing confidence towards a more positive destination.

Starpic Lions project provides a pathway for young people to develop skills and knowledge in the sport of basketball. Sport is a great way to bring people together, creating confident individuals, successful learners and gaining transferable skills for the future. Starpic Lions provide a structured approach to development and believes in removing barriers for all that attend making the sport fun and enjoyable.
