

☀️ Starpic Project Volunteer Pathway

Be part of something positive. Make a difference. Have fun along the way!

1. 🌱 DISCOVER

Find out more about Starpic Project

Learn about our mission, the community we support, and the different ways volunteers can get involved.

Your journey starts with curiosity.

2. 🤝 CONNECT

Meet the team

Come along, say hello, ask questions, and discover where your skills, interests, and enthusiasm could make the biggest difference.

Everyone has something valuable to bring.

3. 🚀 GET INVOLVED

Take your first step

Choose an opportunity that suits you — whether that's helping at an event, supporting activities, welcoming participants, getting creative, or simply lending a hand.

No experience? No problem. We'll support you.

4. 💪 GROW

Build confidence & skills

As you become more involved, you can take on new responsibilities, learn new skills, work with others, and discover what you enjoy most.

Your volunteering journey can grow with you.

5. ☀️ LEAD

Make an even bigger impact

Ready for more? Take on a leadership role, support new volunteers, help shape activities, or bring your own ideas to the project.

Your experience can inspire someone else.

6. 🎉 CELEBRATE

Recognise the difference you make

We value every contribution — big or small. Celebrate achievements, share experiences, and see the positive impact your time and energy have made in the community.

Together, we make Starpic Project happen.

💖 YOUR TIME. YOUR TALENT. YOUR IMPACT.

Volunteer with Starpic Project and be part of a team creating positive experiences and stronger connections in our community.

☀️ Everyone is welcome. Everyone can contribute. Everyone can make a difference.

Why Volunteer?

Volunteering is a great opportunity to gain skill and experience working in an environment to build confidence which may lead to a new career pathway for the future. You get to work with various skilled individuals and gain hands-on experience in the environment you work in. You have the opportunity to take responsibility if interested while accessing various training resources to increase your knowledge and confidence.

At **Starpic Project** we provide university and college students a placement within our delivery team both in school and the youth project which has been a great success since our placement partnership started in 2022.

You can start our volunteer programme from the age of 16 years. We offer to discuss a development plan to help your journey towards a more positive destination which is reviewed every 20 weeks with yourself and the coordinator.

Some individuals like to volunteer as a means to 'give back to the community', as they value the importance of working with young people, as some volunteers have a full time job and like to volunteer within the community, others may be looking to build personal skills or knowledge and appreciate the opportunity to volunteer as part of the Starpic Project team.

All volunteers will become a member of the PVG scheme through Starpic Project and will have access to training as part of their time at Starpic Project which is all **FREE**.

Next step is to complete the online application form <https://www.starpicproject.co.uk/vacancies/>
